

A romantic couple is shown in a close embrace, kissing underwater. The woman, on the left, has long dark hair and is wearing a light-colored, possibly white, tank top. The man, on the right, is shirtless and has a beard. They are both looking at each other, and the woman's hand is gently cupping the man's face. The background is a dark, murky blue-grey, suggesting an underwater environment. The overall mood is intimate and tender.

# THE FLAME OF DEVOTION

a polarity workshop for couples

with Bianca Rivai & Nathan Marcuzzi

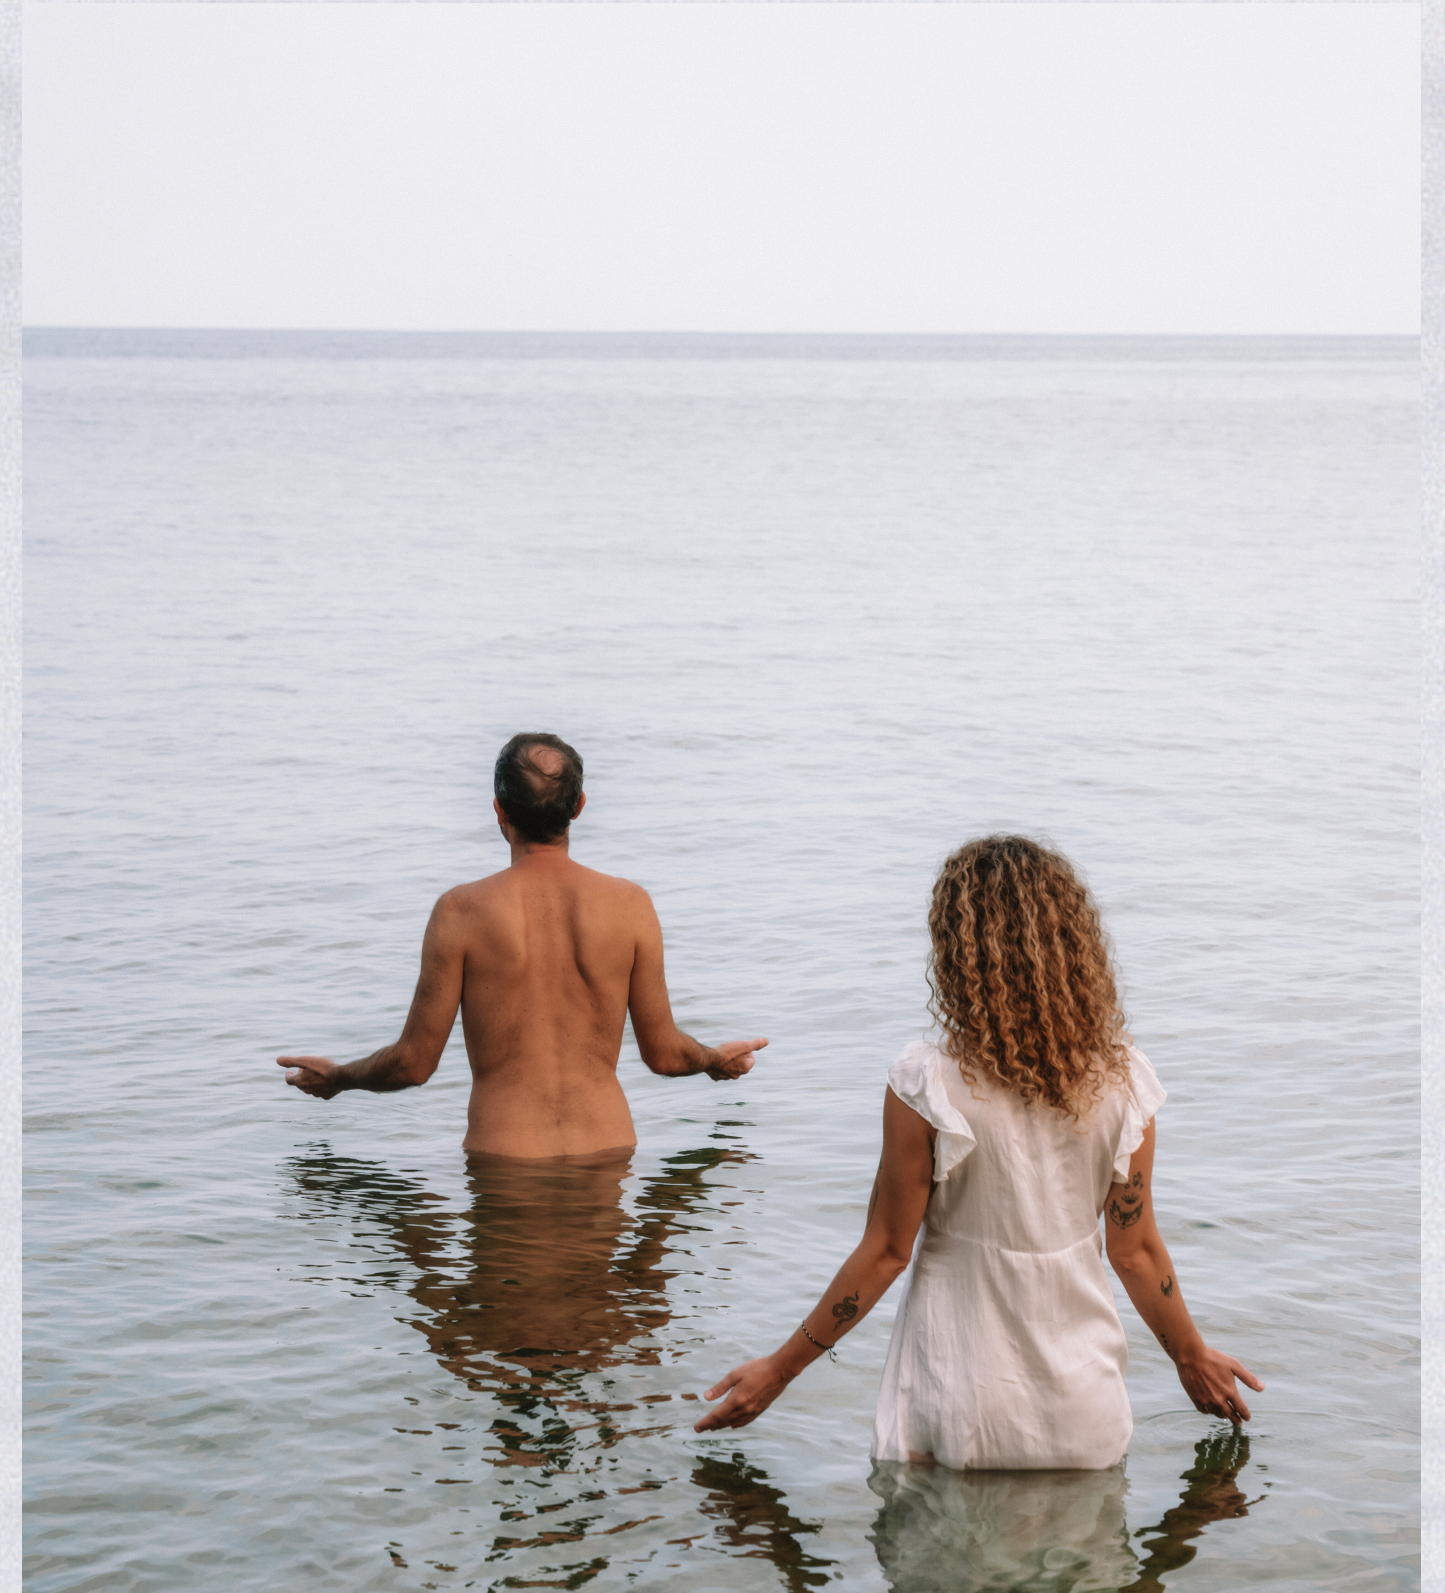

Reignite the Fire. Restore the Trust.  
Reclaim Each Other.

🌹 **This Workshop is for Couples** who feel more like roommates than lovers and struggle with **Intimacy or emotional distance.**

🌹 The trust isn't as strong as it once was.  
Intimacy feels forced—or completely absent.  
**The distance is growing.**

🌹 **And the worst part?** *You don't know how to get back to what you once had.*  
Or maybe... you've never even truly felt it before.

But here's the truth:

# POLARITY IS WHAT KEEPS A RELATIONSHIP ALIVE

**When the masculine presence weakens,**  
*the feminine no longer feels safe to surrender.*

**When the feminine radiance hardens,**  
*the masculine no longer feels the call to rise.*

And then? The attraction, the depth, the fire – it all disappears. **But here's what most couples don't realize:** Passion is not luck. It's an art. And real intimacy is something you cultivate.

**And this is exactly what we'll teach you:**

Learn the exact dynamics that restore attraction & ignite passion. Unlock the depth of trust & surrender that makes intimacy effortless. Clear the energetic blocks keeping you stuck in unhealthy dynamics. Train your nervous system to hold love, desire, and connection.

# 🦋 WHAT YOU CAN EXPECT:

This weekend immersion will include:

***The Art of Masculine & Feminine Polarity*** –

understanding the dynamic that creates attraction

***Breathwork & De-armouring*** – to release stored tension & reopen to intimacy

***Presence & Devotion Practices*** – to reignite deep emotional & sexual connection

***Tantric Partner Exercises*** – to create trust, surrender & desire in the body

***Soft Trauma Release*** – to clear wounds that unconsciously block love

This is **NOT** another therapy session.

This is **NOT** about endless talking, blaming, or rehashing old wounds.

This is **EXPERIENTIAL WORK**. Embodiment.

Transformation. You will FEEL the shift in your body. You will SEE the shift in your partner.

You will EXPERIENCE the shift in your relationship.

By the end of this experience, you won't just know what's been missing in your relationship — **you'll FEEL it.**

Together, **we co - created this Workshop** from our own Relationship. This is the work we live, breathe, and embody in our own relationship.

**Bianca's background** is rooted in breathwork, de-armouring, and deep psychological & somatic work, she guides individuals and couples into the heart of their true essence. Her approach is trauma-sensitive, and rooted in years of study in tantric & energetic practices.

**Nathan's work** integrates somatic de-armouring, energetic awareness, and breathwork. He supports people in reclaiming their authentic masculine & feminine expression, creating profoundly deep relationships.

# We are Bianca & Nathan

Because we believe:

A Divine Union is not found. *It is cultivated.*

A deep, polarized relationship is not something you “fix”. *It is something you awaken.*

A sacred partnership does not limit you. *It liberates you.*

When two people meet in their fullest expression,  
something greater than passion is created.

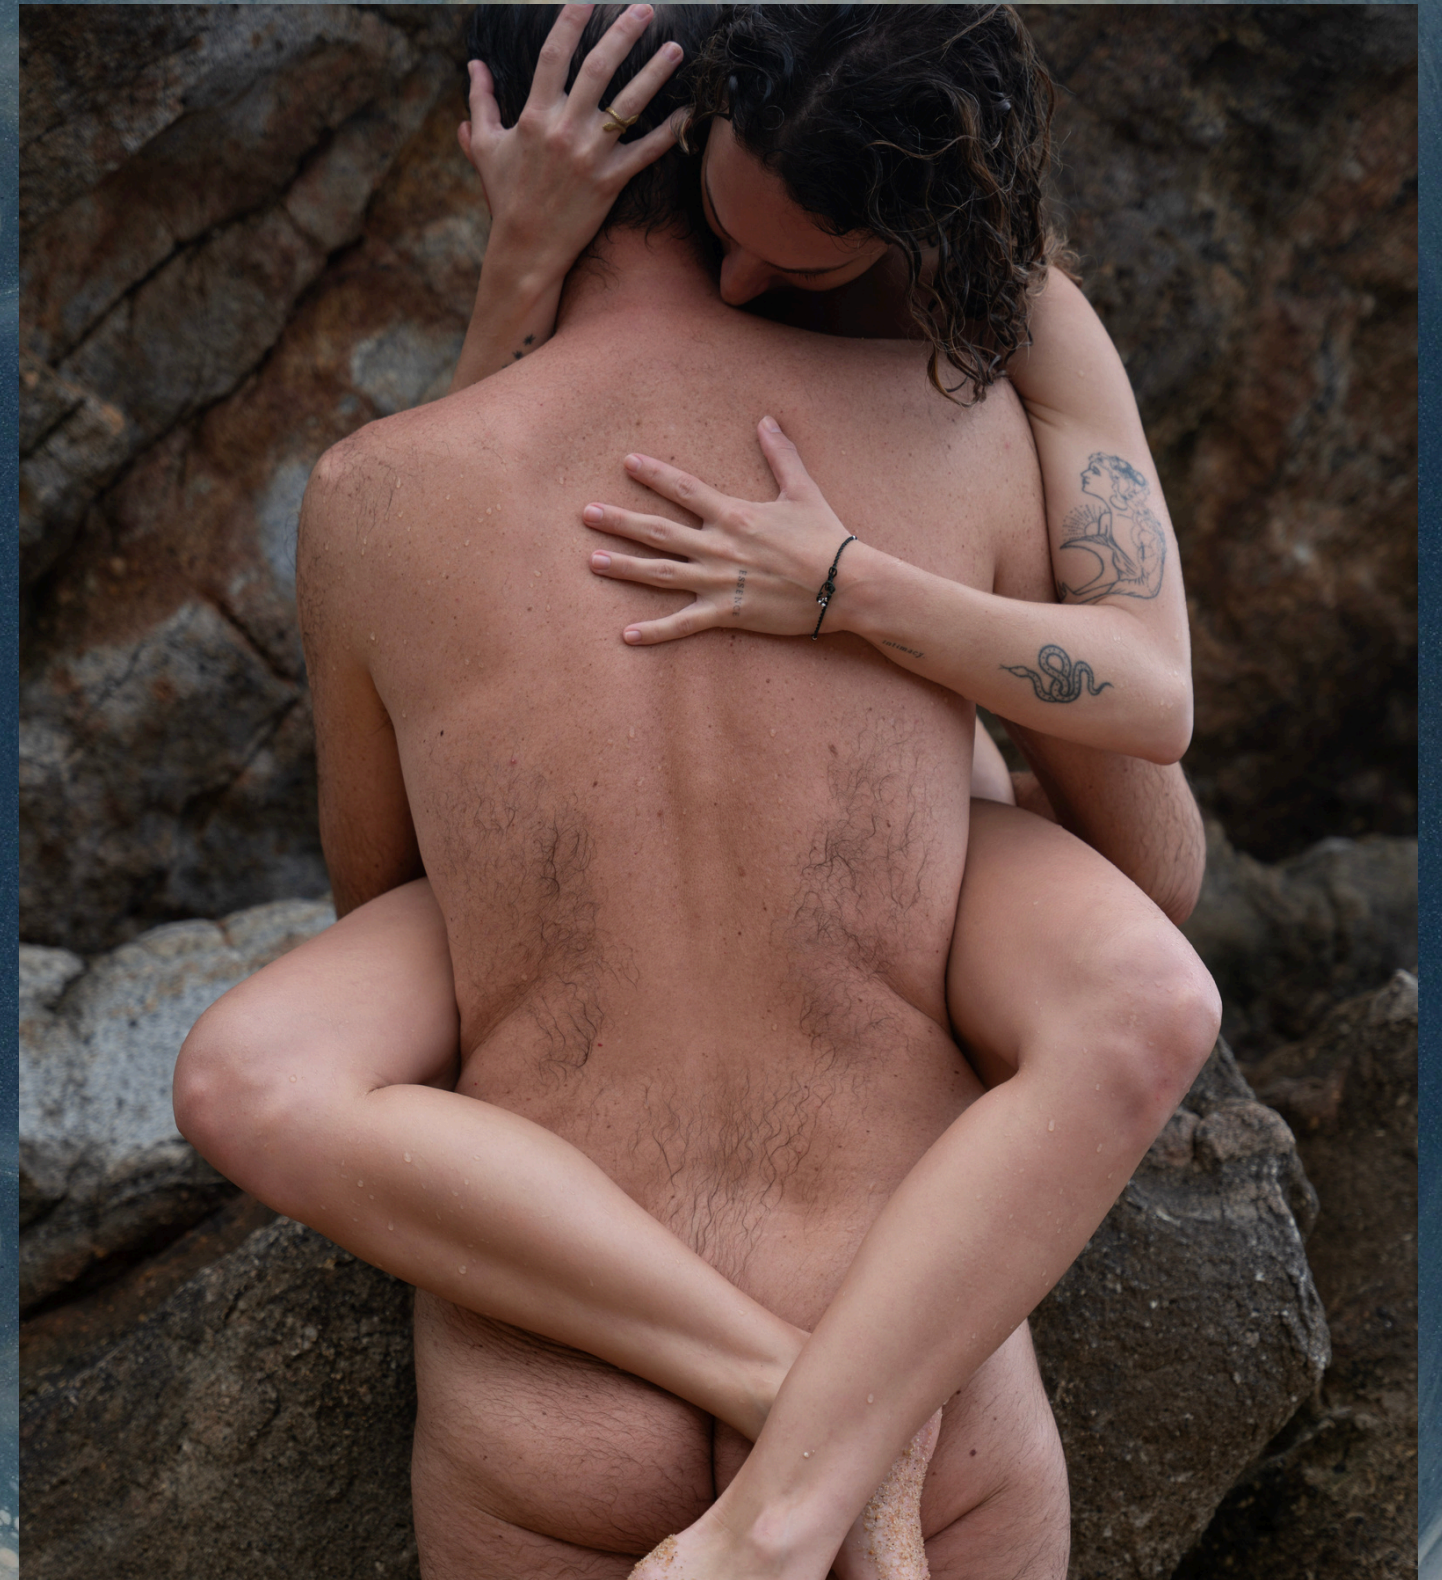

**Your relationship becomes a path of awakening.**

## EVENT DETAILS:

**A full weekend immersion** in a secluded  
and nurturing healing space.

**Investment per couple:** €600

Spots are limited.

A romantic couple is shown in profile, kissing underwater. The woman has long dark hair and is wearing a light-colored tank top. The man is shirtless and has a beard. They are both looking at each other with closed eyes. The background is a dark, murky blue-grey color, typical of an underwater setting. Bubbles are visible around them.
